

Being an adult is like being a Quentin Tarantino movie: it starts out real cool, there's lots of cursing, it's very confusing, everyone dies

BEING AN ADULT IS LIKE FOLDING A FITTED SHEET.

ADULTHOOD  
*the big lie*

I JUST WANT TO EAT PIZZA, WATCH TV, SLEEP ALL DAY AND HAVE SOMEONE ELSE PAY THE BILLS. IS THAT SO WRONG?

ANOTHER  
FINE DAY  
RUINED BY  
ADULTHOOD

ADULTING IS NOT FOR ME

I'M AN  
ADULT  
NAH, NOT REALLY

We wanted to be adults so bad. Now look at us. Just fucking look.

BEING AN ADULT IS THE DUMBEST THING I HAVE EVER DONE

COFFEE, THEN ADULTING

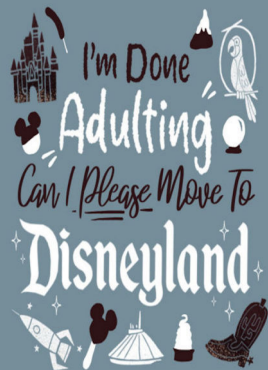

I CAN'T ADULT NOW I'M GAMING

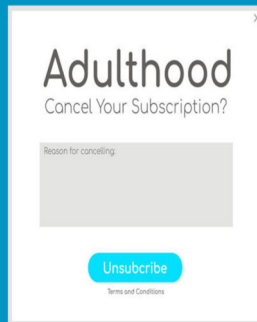

I CAN'T adult TODAY

THIS WHOLE 'GROWN UP' THING HAS BEEN FUN BUT I HAVE TO GO NOW

I HATE ADULTING

THE FACT - that I am - LEGALLY AN ADULT IS HILARIOUS

WE'RE ADULTS. WHEN DID THAT HAPPEN? AND HOW DO WE MAKE IT STOP?
