

MY MISTAKE YOUR FAULT.

Let Me Drop
Everything
To Work On
YOUR
Problem

Do I look
like
Google
to you?

LACK OF
PLANNING ON
YOUR PART
DOES NOT
CONSTITUTE
AN EMERGENCY
ON MY PART

I may look
completely
CALM,
but in my head
I've punched you
in the face like
three times

NO, you're right.

Let's do it the dumbest way possible because it's easier for you.

DON'T RUSH ME I get paid by the hour I'm not feeling very worky today.
