

  
**KEEP CALM AND PLAN ON**

Life isn't about finding yourself, It's about finding that perfect sticker and then *never using it!*

**PLANNING EACH DAY KEEPS THE CRAZY AWAY**

**PLAN LIKE NO ONE'S WATCHING**

If at first you don't succeed, cover it with a sticker and keep going.

**BORN TO PLAN**  
Forced to work.

if **PLANNER SUPPLY** HOARDING is **WRONG** I DON'T WANT TO BE **RIGHT!**

**I PLAN SO I DON'T KILL PEOPLE**

You know you're a **PLANNER** when the first thing you pack for **VACATION** is planning supplies.

I won't buy any more planning supplies until I use up what I have at home. (ha ha ha...) 😊

**MY PLANNING TIME IS SOMETIMES FOR YOUR SAFETY**  
REMEMBER THAT

I just want to stay in my sweatpants and play in my **PLANNER** IS THAT SO **WRONG?**

My biggest fear is that when I die, my husband will sell my planning supplies for what I told him the cost was.

**YOU CALL IT "Empty Nest"**  
**I CALL IT "New PLANNER Room"**

**IF ALL ELSE FAILS, ADD ANOTHER STICKER**

**COUPON**  
I don't really need it but I can't let this coupon go to waste.

**I ONLY PLAN ON DAYS THAT END IN Y**

Being a **PLANNER** IS NOT A HOBBY it's a way of **LIFE**

**I ONLY BUY PLANNER SUPPLIES WHEN I NEED IT FOR A PROJECT.**  
**OR BECAUSE IT'S ON SALE.**  
**OR I HAVE COUPON I NEED TO USE.**  
**OR BECAUSE IT'S PRETTY**  
**OR BECAUSE I WANT IT.**

**Planners GONNA Plan**
